

Please rate how supportive you would be of a Monday through Thursday 9 hours and Friday 4 hours schedule?

Supportive

1. We work on Fridays and need inspections all the time from the City. **2.** A happy worker is a good worker. Longer weekends make a happy work. **3.** Okay with trying. **4.** These hours allow me to do business before and after other business hours. It would be nice if more government agencies and businesses did this.

Not Supportive

1. Important for me as a contractor to conduct business face to face with city building department “5” days a week. **2.** Office should be 8 -5. **3.** Always here last minute. **4.** I rely on you during regular business hours.- How about online sales tax filing like state? **5.** The rest of us are on a 5 day week. **6.** Deadlines and meetings need an access day ahead and one behind for questions. And I seldom get my calls returned the same day so with a four day week I wait one more day. (Permits and Planning- good customer service)
